

Falconbridge

Your Neighborhood Pool

Dive right in!

Enjoy the long, hot summer – right in your own backyard. Your Falconbridge pool is fun, convenient and economical. Did we mention convenient?

Swim from Dawn to Dusk!

Like to swim but the normal pool hours don't fit your schedule? Your Falconbridge pool now offers extended hours for adults who sign up for the program and can arrange to swim with a buddy. You and your buddy can enjoy the pool anytime between dawn and dusk all summer! Lifeguards are only on duty during the regular club hours, so you must be 21 or older to swim at other times.

Better than ever

Your Falconbridge pool is still the most convenient place for fun and relaxation, and now it offers more hours, more services, and more fun.

A new pool management company has been hired to provide lifeguards and pool maintenance this year. All guards are Red Cross certified. Look for them in their uniform shirts and swim suits.

The Falconbridge clubhouse facilities have been upgraded inside and out for your comfort. Watch for more improvements this summer.

Internet Access

This summer bring your wireless laptop to the pool or clubhouse to keep in touch or get some work done while you watch the kids. High speed WiFi service is available throughout the facility. Access is for members only.

Expanded pool hours
The pool will be opening an hour earlier each morning and closing later on Saturday nights. See our website for the detailed schedule.

Fun for kids of all ages

Children 8 and over who have passed their swim test may come to the pool unattended during regular lifeguard hours. It's a fun, safe place to meet and play with kids from all over the Falconbridge community.

Children 7 and younger must be accompanied by a parent or guardian. Make play-dates for your kids and you can socialize with the other parents from the neighborhood.

The summer season begins in mid-May and extends until mid-September. The 88,000-gallon L-shaped swimming pool has lap lanes, 2 diving boards, and a large 2-foot shallow section for young pre-swimmers.

The pool deck is furnished for sunbathing on chaises or lounging under the sunshade. Feel free to use the gas grill on the upper deck for family dinners.

Swim Lessons

Organized swim classes for all ages will be held throughout the summer. Both group and private lessons are available. Watch for signs with the class schedules.

Tennis

There are two laykold tennis courts available year-round to our members. You can play singles or doubles with family or play a match with a member who needs a partner.

Additional Facilities

The clubhouse contains a multipurpose room for socials and club meetings and bathrooms with showers. The clubhouse room and pool can also be rented and are great for meetings, socials, and birthday parties with special discounted rates for Club members. Check the web site for rental details.

Activities

Membership also entitles you to attend many social functions and activities during the year. Our social calendar includes activities for children, adults, and families. Some of the planned activities include:

- Open House Weekend
- July 4th Extravaganza
- Labor Day Events
- Ice Cream Socials
- Christmas Social

Membership applications and information are available at the clubhouse, or call 490-0068 or www.FalconbridgeClub.org

Membership

All members of the FHA (town homes) have a fully paid membership entitling them to pool, tennis courts & clubhouse.

Residents of Falconbridge single family homes and surrounding communities are eligible to join the Community Club of Falconbridge. Fees are lower than other area pools, and the convenience and services are unbeatable.
